

3rd Annual

SNEWS® Golf Scramble

At Health & Fitness Business

SNEWS cordially invites you to join us at a charity golf event to benefit Augie's Quest—a foundation dedicated to finding a cure for ALS. The event will take place at the acclaimed Green Valley Ranch Golf Course—a championship facility that's the perfect blend of natural wetlands, creeks and towering cottonwoods that populate a small valley just south east of Downtown Denver.

Don't miss this opportunity to mix and mingle with Health & Fitness Business Expo attendees in a casual environment, while helping to support a significant cause!

ABOUT THE CHARITY

Augie's Quest (www.augiesquest.org) was founded in 2005 by Augie Nieto and his wife Lynne just months after Nieto, chairman of Octane Fitness and founder of Life Fitness, was diagnosed with ALS, known as Lou Gehrig's disease. This non-profit foundation, a division of the Muscular Dystrophy Association, donates 100% of the money raised for research to find a cure for ALS.

TO PARTICIPATE

Please complete the attached registration form. Participation fees range from \$200 for a single player to \$700 for a foursome. 100% of the fees are donated to Augie's Quest/Muscular Dystrophy Association.
