GearTrends® magazine is published five times a year by SNEWS® LLC in the interest of the growth and development of the specialty outdoor, fitness and winter sports industries. The magazine is a component of the GearTrends® Network, designed to "create community through communication" by encouraging participation from trade professionals and consumers. The GearTrends® information network strives to be the industry standard for late-breaking news, features and trend reporting, business education and company/product information. The company also produces the GearTrends® website; Specialty News (SNEWS®), the insider trade news source for the outdoor and fitness markets; eFitbiz by SNEWS®; and the Law Review. Copyright ©2007 by SNEWS® LLC. Postmaster: Send address changes to SNEWS® LLC, 101 W. McKnight Way, Ste. B-305, Grass Valley, CA 95949. No part of this magazine may be reproduced without written consent of the publisher. Not responsible for unsolicited material. All rights reserved. Printed by Banta Publications-Long Prairie, 100 Banta Rd., Long Prairie, MN 56347.

CREATING COMMUNITY THROUGH COMMUNICATION

YOU COULD ALMOST SKIP THE SHOW...But don't tell the boss!

Not even a trade show's own publication covers the show as completely or as accurately as the SNEWS® team does. Almost as good as being there, you'll find it at www.snewsnet.com/tradeshow.

LOVE MYSTERIES?

Regular SNEWS® mystery shopping around the country puts the spotlight on day-to-day retail—the good, the bad and, yes, even the really ugly. Find them in the SNEWS® Training Center. Go to www.snewsnet.com/trainingcenter.

JOB-HUNTING OR JOB-TO-OFFER, WE GOT YA COVERED

The SNEWS® classifieds get action and quality responses—that's what our readers tell us. Looking for a job? Need someone to fill a position? Head to www.snewsnet.com/classifieds.

DO YOU RSS? WE DO!

Many of you have been asking for it and SNEWS® has delivered—RSS feed capability for all our content. Now, you can be in-the-know about industry events, news, stories and more, as soon as the story goes live. To learn more, go to www.snewsnet.com/rss.

HIT AND CLICK: FREE MAGAZINE DOWNLOADS

GearTrends® magazines—every page-turning issue since we first started publishing—are available online to download and to print out for free. Pass it on: www.geartrends.com/magazines.

MAKES OTHER CHAIRS FEEL INADEQUATE

TRAVELCHAIR®

the Original Since 1984

THE CURIOUSLY STRONG CHAIR

You'll make a mint selling our premium chairs. Consumers recognize the quality the minute they sit down. From heavy-duty frame tubing to premium sun-resistant fabrics, TravelChairs are worlds apart from copycat chairs and flimsy knock-offs.

features

14 STEPPING UP | PROFILE

A good mountain guide adapts to the situation on the ground. Likewise, Peter Whittaker is adjusting his companies, Rainier Mountaineering Inc. and the Whittaker Mountaineering store, to deal with new competition.

20 BELOW THE BELT | OUTERWEAR

We understand folks rarely talk in public about things “below the belt.” But, hey, they’re just *pants*. Here’s the latest on styling, fabrication and fit in wintersport pants.

28 HOLD TIGHT | CLIMBING

Get a grip on today’s climbing holds market for home walls, commercial gyms and schools.

32 BAD BEHAVIOR | SALES TRAINING

Our mystery shopping team reveals the top flubs by retail salespeople and offers pointers to overcome them.

36 INDUSTRY TRAILBLAZERS | OUTDOOR HISTORY

Part II in our continuing series on outdoor pioneers looks at the pool of design, manufacturing and retail talent that emerged between the late 1950s and late 1970s.

42 GET IN TUNE | ACCESSORIES

Add-on sales gone cold? Set up a section of ski tuning accessories and enjoy the sweet turns.

48 SHIFTING FORMULAS | GREEN SCENE

PVC plastic gives Mother Nature nightmares, so companies are using eco-friendly alternatives in packs, PFDs, shoes and other products.

54 FIELD WORK | MERCHANDISING

More outdoor companies are investing in field merchandisers to assist retailers with product presentation and building brand image.

60 BREAK FROM THE PACK | SKI PACKS

The ski pack niche has come into its own, offering product designs that meet the needs of backcountry winter enthusiasts.

64 SHARE THE WEALTH | BUSINESS TOOLS

Retailers fail to redeem about half of all co-op dollars offered by manufacturers. Find out how to put them to good use.

70 SOFT SELL | FOOTWEAR

Soft shell materials have found their way into footwear, but will consumers buy into the concept?

Ski packs hit the mark.

GearTrends® magazines strive to balance quality with environmental responsibility, printing with as much recycled paper content and soy-based ink as possible.

Perfecting the Science of Comfort – Polarguard® synthetic insulation is the name to trust for proven performance in sleeping bags and cold weather apparel. For more than 30 years Polarguard® continuous filament polyester has been a leader in both the outdoors and at outlets. It is the continuous filament insulation specified by the U.S. Military and top tier bag and apparel manufacturers. While there are other continuous filament products on the market, Polarguard® remains at the forefront of this technology. When nothing less than superior quality and long-lasting performance will do – specify Polarguard®.

• **Water Resistant**

Thermal efficiency when wet
Sheds water quickly
Dries rapidly

• **Moisture Management**

Body moisture vapors are transferred through batt layers
Prevents condensation build-up and resulting heat loss

• **High Void Hollow Fibers**

Superior durability
Resistance to collapse
Greater loft and resiliency
Less weight and more warmth

• **Continuous Filament Fibers**

Won't separate, clump or mat
No cold spots

• **Fine Denier**

Soft hand
Down-like feel
Compactible
